Prairieville Ball Diamond Parking

When visiting the Prairieville Ball Diamond, please be respectful of property lines. Do not park in the red. You may park between the road and the playground/gazebo in the green in a perpendicular fashion.

Failure to do so could result in a misdemeanor conviction from a trespassing citation.

Example:

DK Field #2 Parking

When visiting the DK Field #2 by the DK Middle School, please do not park in front of the dumpsters located in the bus loop. DK Schools has brought it to our attention that the DK CSM evening custodial crew need access to them and on our game nights, they have been blocked by cars.

Please help spread the word to keep that area clear.

THANK YOU!
